HESPR: connecting client needs and heritage expertise

HESPR is the UK-wide listing of quality-assured bodies that work to the conservation standards of the IHBC, the UK's lead body for built and historic environment conservation practitioners and specialists. (www.ihbc.org.uk)

- **Conservation advisors**, to help clients and users understand, manage and care for places and properties of all types and ages.
- **Conservation services**, to find partners or leads in managing changes to older or historic areas and fabric.
- **Specialist conservation support**, expert guidance and access to learning and skills, in property management, education, training and mainstream development.

Why clients use HESPR

Whether you are a private owner, developer, public body, charity or a community group, **HESPR** helps you find the right conservation business, service or advice.

Access specialist conservation services offering:

- Repair and care of old buildings, from ordinary homes to the finest listed properties and estates
- Conservation specialisms across surveying, historical research, planning, architecture, design and much more.
- Guidance on new development in sensitive and historic fabric and areas.

Promoting quality AND customer focus:

- HESPR listed businesses assure quality and standards by using IHBC accredited lead professionals who are focused on service.
