Dear colleague,

Building upon our first Branch bulletin in November, we are pleased to bring you our second edition of the IHBC East Midlands Branch Committee bulletin. Please read on for the latest news from the Region and on what we as a Branch are doing for our members.

**Former Rolls Royce Marble Hall announced as location for Branch training event and meeting on Thursday 16th April**

As part of the Branch’s commitment to maintaining an Active Branch, we seek to organise a cheap and cheerful CPD event for our members at interesting locations across the Region.

This year we have with the assistance of Conservation Officers at Derby City Council arranged to visit the former Rolls Royce offices to see the £4m restoration works as the building is converted into a community hub incorporating a nursery, day-care centre, health services, offices and a cafe.

The event will take place on Thursday 16th April. For more information and to book your place, please read on.

About Marble Hall

Rolls-Royce occupied the site on Nightingale Road from 1907 to 2011. The Marble Hall building was constructed as offices in 1912 and extended to include the Marble Hall in the 1930s. Although some remodelling has taken place, many original features remain including a staircase from 1912, the 1930s wood panelled Board Room and the Marble Hall, with its Tuscan style polished limestone columns. In 2007, Rolls-Royce relocated their activities from this site to new sites within Derby, leaving the Nightingale Road site vacant. In 2009 the Marble Hall building was listed (Grade II) which saved it from demolition when all other buildings on the site were demolished in 2011.

Practicalities

Due to the current renovation works, all attendees are required to bring their own personal protective equipment, i.e. footwear, hi-vis vest and hard hat.

Parking is available at the Marble Hall site but is more restricted at the Brunswick Inn. Click here for more information on parking in Derby. However, the Brunswick Inn is opposite Derby railway station.

Booking

Attendance at the Marble Hall event is free to our members but we require people to book by Wednesday 8th April onto the event so that we can plan the catering for the buffet.
