Tour of Turner's House

40 Sandycombe Road, Twickenham, TW1 2LR

on

Saturday 11th August 2018

Join us for a return visit to Turners House, to see the now completed HLF supported restoration project and worthy winner of the **RIBA London Conservation Project of the Year 2018**. The tour will be led by Gary Butler of Butler Hegarty Architects.

Built by 1813 to the designs of England's great landscape painter, J.M.W. Turner, working here as his own architect to create a quiet retreat for himself. The Turner's House Trust was set up in 2005 and with Butler and Hegarty architects has led a fascinating project to restore the house to its original appearance, open it to visitors, display the Livermore Collection of Turner material, and set up a programme of activities and learning opportunities.

TIME – 11:00 am (for 11.15 am tour)

COST - £6.00 (Turners House entry fee) pay on the day

TRAIN STATIONS – **St Margaret's Station (trains from Waterloo)** is five minutes' walk away.
Buses from Richmond stop close by Nos. 33, 490, H22, H37, R68 and R70. There is no parking at the house or in nearby streets.
